## how to do the SPECIAL MOVES?

Use 2 fingers of each hand alternately. A maximum of 4 fingers may touch the ball at the same time.

„Pinch“ the indicated hold with ► 2 fingers ◀ and climb to the next hold with the next ► 2 fingers ◀.

Climb with all fingers of one hand. The thumb must touch all the pink holds in turn. Try to climb as fast as possible.

Jump with the front finger to the next hold and then follow with the back finger.
