
Dotted Line
= ✂

To position your 16 screw-on footholds correctly
use the template as follows.

Position the hole marked "TOP LEFT" in the
following grid references:

10B 10D 10G 10I

8A 8C 8H 8J

6B 6D 6G 6I

4A 4C 4H 4J.

The centre cut out on the template shows where
the screw on foothold should be placed.

The arrow indicator on the foothold must point
down (due south).
